## PROFILE

I am a 23-year-old Computer Programmer, Graphic Designer, and Freelance Photographer with a diverse skill set and a passion for creativity and technology. Proficient in programming languages such as Python, JavaScript, and C++, as well as design tools like Adobe Premiere Pro and Photoshop. My photography expertise spans portrait, landscape, and event photography. I thrive on tackling challenging projects and delivering high-quality results that exceed client expectations. As a strong communicator and team player, I am dedicated to continuous learning and professional growth.
